|---|---|--|
| Image Manipulation <i>Precision image editing</i> | Switch a head, include-substitute-omit people, change a background or location, body sculpting, change eye color, replace gray sky with blue sky/clouds, panorama assembly, etc. | \$89.00 Per Hour \$8.50 Minimum |
| Retouching <i>Make little annoying things disappear</i> | Blemishes, wrinkles, eye glass glare, braces, dust and specks, telephone wires, contrails, flash reflections: If you can see it and don't like it, we can remove - it without a trace. | |
| Restoration <i>Old & Damaged made new again</i> | We are experts at copying and restoring old or damaged photographs: Tears, stains, discoloration, fading, fire & water damage, mold, etc. If it looks impossible... count us in. | |
| Simple Graphics <i>Personalize, customize & make unique</i> | Add text to an image, a personal signature, company logo, date or event title. Add a keyline or drop shadow around an image, or combine a couple of images onto a single print. | |
| Graphic Design <i>FYI: Digital+Graphics = DigiGraphics</i> | When a design revolves around the use of photographic images, we have the skill and creativity to produce exceptional pieces: Photo business cards, trade show murals, photo books, etc. | |
| File Preparation <i>When files aren't quite right</i> | Preparing a file for print or other use may involve: Converting Color Space or Bit Depth, adjusting resolution, processing a RAW file, converting one format to another such as PDF to TIFF, etc. | |
| File Management <i>Sorting. Organizing. Boring.</i> | File management tasks such as renaming files, sorting, organizing, etc., is outside the scope of our listed services. Ask for an estimate if you'd like our staff to perform these tasks for you. | |
